and subject to withdrawal without notice

NEW INTRODUCTIONS

BERTHA TALBOT LOOSE Bhm. Large Cherry Red flower of good carriage, prominent Peony Purple on innermost petals not quite to tips. Sepals and petals, 30 or more, of nearly equal length, slender long stigma lobes. \$2.00

DESERT HAZE Bhm. French Rose petals in a light shade backed with bronze over pink sepals. Full petaled, wide opening large flower. An appealingly new light pink. (Fragrant). \$3.00

DREAMLAND Bhm. LARGE. Broad sepals and petals. Petals pinkish-orange with Claret Rose edge blending to a Rose Red eye. Darker sepals turning out and back. Ovary-tube covered by large scales, stamens fluffy, anthers light violet. Sherman E. Beahm x Pride of Bell. \$1.50

DUTCH GIRL Bhm. An all over Delft Rose in various tones with light orange-red center stripe. Sepals and petals numerous, well parted, forward wide open. Sherman E. Beahm x Pride of Bell. \$1.50

FLORADORA Bhm. Vermilion, many rounded sepals and petals, innermost a blend of Fuchsine Pink to almost white. \$2.00

FLOWER SONG Bhm. Small flower with a pink stripe over white, second day Solferino Purple. Full petaled forward open cup, frequent and heavy bloomer, short ovary and tube. \$1.50

GALLANT KNIGHT Bhm. Blood Red flower edged with fuchsia on the inner petals, a bold large flower with broad sepals and petals pinched to a tip. \$2.00

GRAND MASTER Bhm. Very large deep orange or Dutch Vermilion. Numerous very long narrow sepals with many shorter broad inner petals. Sepals and petals 40 or more. A masterful giant

orange with small fuchsia eye. \$3.00

HEART BEAT Bhm. Broad deep red petals with a prominent cerise eye backed by narrow petal color sepals, filaments white. Very fine, wide open flower. \$2.00

HIAWATHA Bhm. Deep orange with narrow back sepals. 30 to 35 sepals and petals, slight fuchsia edge at base of petals. Very long stigma lobes. \$2.00

JOEL Bhm. Medium large deep red wide open ball shaped flower, all filaments light self, petals slight spoon. Sherman E. Beahm x Pride of Bell. \$1.50

LA JOLLA Bhm. Unusual bright orange flower, cinnabarinus crossed Harmony. Flower wide open with slight fluting or ruffle on petals. Plant growth broad, strong, somewhat spiny. \$1.00

LOLITA Bhm. A small light Rose Pink deepening second day. Very full petaled trumpet with longer sepals. Exquisite as an unopen bud. Very tiny ovary-tube. \$2.00

MINNEHAHA Bhm. Broad pointed sepals and petals. Dark red with an all fuchsia purple center, wide open but not flat. \$2.00

MOTHER OF MINE Bhm. Medium sized one-toned Rose Bengal. Very full broad petaled forward open flower, short ovary-tube. A strong color with warmth and depth. \$2.00

PIMIENTO Bhm. Deep orange red, full petaled cup and saucer. A hybrid of Tulip x Spinulosa. Narrow to medium flat plant growth. \$1.50

PRINCE OF ORANGE Bhm. One-toned orange with slight hint of cerise on lower inner petals. Broad sepals and petals, wide open trumpet. Firm texture. \$2.00

PYGMALION Bhm. Narrow, troughed, pointed orange sepals with lighter orange petals edged in soft magenta. Forward trumpet. Typically Cooperi ovary-tube. Heavy caned plant growth edged in brown. Attempted Cooperii-opuntia cross. \$1.00

SCHOOL GIRL Bhm. Light orchid pink with slightly deeper eye. Some wavy edged petals and recurling sepals. Medium-large. \$1.00

SUNLAND Bhm. Very large formal bright orange with somewhat lighter back sepals and small red eye. Filaments self color to red, broad sepals and petals. \$3.00

VANESSA Bhm. A white flower tipped with yellow and backed with narrower long amber-brown and yellow sepals. Sepals and petals not ruffled. \$1.00

VERONICA Bhm. Full saucer shaped flower of Currant Red and deep purple with almost white edge, many petaled. \$1.50

The following are Sherfy originations—late releases

AJAX Sherfy. Wide open flower with slightly troughed pointed sepals and petals of Geranium Lake edged in Rhodamine Purple. \$1.50

MORNING GLORY Sherfy. Basically a red flower with wide band of Rhodamine Purple on numerous petals. Forward wide open. \$1.50

POGO Sherfy. Small one-toned pink, waxy narrow sepals and petals. \$1.00

POPPY Sherfy. A goblet shaped mottled Dawn Pink, slightly ruffled petals. Very compact small flower. \$1.00

SINALOA Sherfy. Orange-red with magenta eye, sepals and petals extremely broad, rounded, slightly spooned. Large. \$1.00

COOLIDGE ORIGINATIONS

FANFARE Cldg. Firm, lacquered, Turkey Red flower. Sepals pointed and twisty. Petals forward well parted. Slight hint of purple at base. \$1.50

FLAMING COMET Cldg. A very showy bright red basket type. Wide open, broad petals. \$2.00

HALLELUJAH Cldg. Very large broad petaled cherry-red, violet edged. Espalier type plant. \$1.00

SANDALWOOD Cldg. Vermilion to fire-red with frilled inner petals. \$1.50

We can secure other Coolidge varieties on request.

MISCELLANEOUS

BLAZING STAR Stl. Very pointed though broad sepals and petals, flame color with 5-pointed eye of magenta in center. Large flowered, wide open, short ovary-tube. \$2.00

FRIEND SHERFY Wms. A medium size dark brown orange with slight purple edge at base, broad petals slightly ruffled, nearly one-toned flower, tube purple-red. \$1.00

GOLIATH Very large flower in the orange-red-purple group. Sepals and petals well parted with brownish-red edge with a large center or glow of fuchsia purple. Filaments slight self-colored. Plant growth flat, from medium to very broad, sometimes up to 5-inches. \$2.00

KARIN SIEPKE Kn. No. 336. Orange-yellow sepals, long slender pointed and troughed. Petals are blended carmine and yellow with deeper carmine center. Varies in color. \$1.50

LUXURY RWP. A radiant flower of Rhodamine Purple shading to white edge, backed by broad Currant Red sepals. A rich vibrant flower. \$2.00

RANGOON RWP. One of the darkest Cardinal Red to purple Poindexter hybrids. Wide open cup with back curling sepals. \$1.50

YELLOW JACKET RWP. A very large bold flower, heavy textured petals with crimped tips of a creamy white. Sepals very long deep amber to yellow, firm and extended. \$1.50

If you have never received our catalogue No. 12 write for it—it is free. A 32 page illustrated and indexed booklet containing much important information about Epiphyllums and their culture and listing, besides Epiphyllums, Zygosis, Rhipsalis, Aporocactus and Hoyas.
